*leftism for kids!*

## “A” is for Antifa Al!

Antifa Al stomped and hissed,  
and called your mom a big fascist.  
And when you shared a different case?  
He smashed his bat right into your face.

## “B” is for Barbara Belle!

Barbara Belle is a leftist too,  
and went to a rally to yell at you.  
But when you differed over what she said,  
She dumped some pee all over your head.

## “C” is for Commie Carl!

Commie Carl works on taxpayer dime,  
crafting laws that punish State crime.  
Through a standing army he determines your fate.  
With tanks and guns, it's a police state.

## **“D” is for Doctor Doug!**

Doctor Doug, in the university he works.  
Tearing down Christianity is where he lurks.  
On the virtues of leftism he often teaches.  
He has no God, but on Statism he preaches.

## **“E” is for Earl the Economist!**

Earl the economist is a proud Keynesian man.  
Dollars spring forth when poop hits the fan.  
Rothbard or Mises, he will never preserve.  
Cause this man defends the federal reserve.

## **“F” is for Fran the Feminist!**

Fran the Feminist wants you to run and hide,  
and shut up about the abortion genocide.  
Your right to free speech she doesn't give a rip.  
You like that too? It's called censorship.

So you tried to reason, you weren't a jerk.  
That's when they all got you fired from work.  
They claim to love justice, and equality too.  
But if you disagree, they treat you like poo.
